Lady Eagles End Season At State

Playing through an up-and-down season, our girls qualified for a trip to the State 1-A Volleyball Championship Tournament held at Springfield High School last week. Our first opponent Friday was defending State Champs, Dufur. The *Lady Eagles* lost those two games and went on to defeat Alsea and Adrian to move them into Saturday's quarterfinal games. In our first match-up, we lost to Jordan Valley in two games, then moved to the consolation round where our girls lost to Elkton. Dufur went on to retain their state title by defeating Jordan Valley in the final round.

We want to thank our *Lady Eagles* and their coaches Sarah and Brian Hills for the wonderful job they did in reflecting Christ through the season. Our varsity team was made up of Ashley and Emily B., Lindsey C., Clara G., Emily H., Erin H., Amanda M., Bonnie M., Naomi P., Kimberly S., Alyssa W. and Amy Y.

Two DCHS Students Help Barlow Place 5th In Water Polo

Marc and Joel M., helped Barlow to a fifth place finish in the 4-A Water Polo State Tournament. In addition, Marc was selected Honorable Mention to the Mt. Hood Conference Team. Congratulations!

Coffee Tip-off Successful

November 3rd was a lot of fun and a good start to the DCS Boys Basketball/Aloha Coffee fundraiser. AJ won the hot shot contest with a score of 19, followed closely by Matt Young at 16.

But it's not over yet!

Through Dec. 4th they are selling "Coffee Gift Cards" redeemable at Aloha Coffee. 25% of all the money raised goes back to the DCS Boys Basketball team. With Christmas just around the corner, and the weather getting colder, these cards would make great stocking stuffers. Or feed your own addictions.

Lady Eagles Volleyball League Awards

Five of our girls were chosen for All-League volleyball recognition for the Casco League. First Team All-League recipients were Amanda M. and Emily B. Second Team All-League honors went to Bonnie M., with Honorable Mention All-League acknowledgement going to Naomi P. and Amy Y.

Congratulations to these players for the fine way they represented the Lord and our school.
